FOR WHEN YOU NEED A WEE HINT

The secret answer sheet.

10

Keep this page for after the games. Finding your own way is half the fun!

1 & 2. Six differences

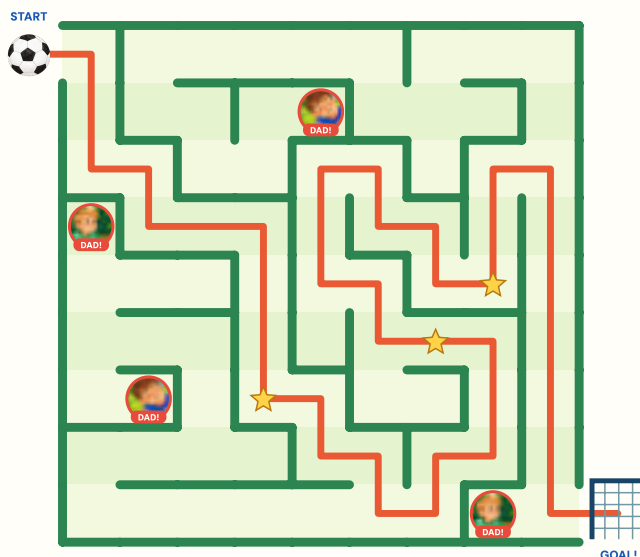

1. A fluffy cloud has appeared in the sky.
2. The front door is red instead of turquoise.
3. The garden bench is purple instead of turquoise.
4. The yellow duck has vanished from the pool.
5. The red sweatshirt on the grass is now yellow.
6. The orange cone at the bottom left is missing.

4 & 5. Your ideas win

There's no wrong kit, badge or story ending. Ask your child about their drawings and write down their words if they'd like a hand.

3. The winning dribble

Follow the orange route. It collects all three stars and avoids every dad. This maze has one route from start to goal.

6. A Garden Cup rematch

If a special square moves you onto another special square, stop there. On the next turn, roll as usual. Try the team challenge together after your first match.
